SKILLS

Languages: JavaScript, TypeScript, Java, Python

Frameworks: React, Next.js, Nodejs, Expressjs, FastAPI, Tailwind CSS

Databases: MongoDB, PostgreSQL

Tools: Docker, Git, Postman, Collab

Core: REST APIs, JWT Authentication, Data Structures & Algorithms, OOP, System Design (Basics)

PROJECTS

FinAura – Personal Finance Management Platform

GitHub | Live

Tech Stack: Next.js, Node.js, MongoDB, JWT, REST APIs

- Built a full-stack personal finance platform with 12+ REST APIs, achieving ~300 ms response time for core expense and dashboard operations.
- Engineered a backend data pipeline handling validation, categorization (9+ categories), and aggregation to generate structured monthly financial insights.
- Implemented JWT-based authentication with HTTP-only cookies and custom rate limiting to secure APIs and control request throughput.
- Architected modular backend with middleware-driven validation and error handling for scalable and maintainable API workflows.

HireMind - Resume-Job Matching Platform

GitHub | Live

Tech Stack: Next.js, Python, FastAPI

- Built a full-stack platform for resume-job matching using a rule-based NLP pipeline for skill extraction and comparison.
- Designed an end-to-end pipeline (parsing → extraction → scoring) to identify 50+ skills and compute match scores, automating key steps in resume screening.
- Implemented REST APIs with FastAPI to process PDF resumes and perform structured data extraction for scoring.
- Deployed a full-stack system on Vercel and Render, and improved user experience under cold start latency.

EXPERIENCE

LTIMindtree

May 2025 - August 2025

Graduate Engineer Trainee

Bengaluru, India

- Completed SAP fundamentals training and gained exposure to enterprise-scale business workflows.
- Adapted to structured corporate delivery practices including documentation standards, team workflows, and development processes.

EDUCATION

Kalinga Institute of Industrial Technology | CGPA: 8.18

2021 - 2025

Bachelor of Technology in Computer Science and Engineering

Bhubaneswar, Odisha

ACHIEVEMENTS

- **GATE 2025 Qualified**
Qualified Graduate Aptitude Test in Engineering (GATE) 2025 in Computer Science.
